CORE NEEDS

To secure a quick, flexible (type and duration of the loan), and transparent loan with easy-to-use online tools to efficiently start and stabilize his new business.

MAIN FRUSTRATIONS

Time-consuming loan application process.

Complicated documentation requirements.

Concern over his own credit score.

The feeling of uncertainty in waiting for the loan decision to start his own business.

BACKGROUND

He has been working for a mid-sized company in the last 20 years. Now, he wants to create his own company due to the management experience gained at his current job and his higher education degree. He is familiar with business operations but needs the initial loan to kick-off his company. He is from a rural area and still lives there. He has a wife and kids and is very devoted to his family.

VALUES AND BELIEFS

Transparency, Entrepreneurial Spirit, Family-First, Self-Reliance, Hard-Working, Trustable.

KEY MOTIVATION

Start his own business.

MOOD IMAGES

Appreciates consultations with bank representatives.

He prefers resolving concerns through phone support, live-chat or in-person meetings.

TECHNOLOGY HABITS

Comfortable but cautious with technology.

Prefers in-person or phone consultations.

He uses desktop banking platforms over mobile apps for complex transactions.

PREFERRED COMMUNICATION CHANNELS

Phone Calls, Mail and E-Mail, SMS

SOCIAL AND CULTURAL FACTORS

He is very community-focused due to his rural origins.

Trusts in established institutions.

Values work-life balance.

Risk-averse due to his age and family responsibilities.

TIME CONSTRAINTS

He is busy with his current job and with spending time with his family, but can dedicate time during evenings or weekends to complete the loan application process.

QUOTE

"I just need a straightforward, efficient and fast process to secure the loan in order to start my business and focus on making it a success."

A DAY IN THE LIFE

Morning: He has work meetings at his current job and oversees the organization operations.

Afternoon: Focuses in specific management tasks to solve problems at his current job. In late-afternoon, he focuses on the business plan of his future company.

Evening: Spends time with his family.
